

**Roane County Anti-Drug Coalition (RCADC)
February 14, 2018**

Members/Guests Present: Marilyn Calfee, Terry Stevens, Cathy Day, Jonathan Jones, Nathan Wray, Ashley Freeberg, Nancy Steele, Jeanna Steele-Mack, Beth Sams and Sarah Harrison.

Marilyn called the meeting to order and Sarah introduced Ann Hamlin, the Director of Training and Scientific Support for Dispose Rx.

DisposeRx is a safe drug disposal method with a site-of-use solution for permanent drug removal. The company recently announced a collaborative effort with Walmart that includes the distribution of their product with all opioid prescriptions in Walmart pharmacies throughout the nation. Our coalition has also partnered with them to distribute and promote the use of DisposeRx in Roane County. To our knowledge, our coalition is the only entity other than Walmart that is distributing the product prior to the public release on March 1.

The slides from the presentation can be found at the link underneath the February meeting minutes on our website.

The next Coalition meeting will be held on Wednesday, March 14 at noon at the RCADC office (151 E. Race St, Kingston).
